Melbourne Cup Challenge Download Full 13

Melbourne Cup Challenge is a racing simulation video game based on the Melbourne Cup. It was developed by Sidhe Interactive and published by Tru. The game offers a wide selection of horses and the player can choose their favorite and send them to the race. The gameplay is similar to other games from Sidhe Interactive. The player can train the horse, train it, feed it, clean it, heal it, and give it vitamins and other supplements to increase its stamina. The player can also change her outfit and equipment, such as her saddle, blanket, shoes, and so on. The player can also buy and sell horses.
