===== You are a male police officer in Birmingham, England. On your way to work, you stumble upon a bomb heist, but what you find is a lot more than that... there are three girls, tied up, and in need of rescuing. It's up to you to do so, in order to bring all the three girls back home safely - in full HD 1080p quality. In order to find them, you need to use your instinct and the uncanny skill that only you have to solve the many puzzles the girls leave around the house. There are new objects, new characters, and a new story to tell. And as always there are some bonuses that will give you some tips and tricks on how to succeed in your new adventure. For the first time in the series you can collect the girls back home, each in their own different outfit and unlock the full soundtrack from the game. And when you reach the highest score, maybe you will even get a new Achievement! This DLC was funded by the supporters on our patreon platform. Thank you for your support! How to play "Flexibility and Girls Soundtrack": ===== Just press START and get right into it! ----- Main game characters: - Erin: A young woman with a shy personality. She has the habit of hiding things, but that doesn't prevent her to be smart. With this brunette, it is difficult to tell where she stands. - Taylor: She is a smart and talented girl. Well, except for maths. She also has a lot of energy to accomplish things, but maybe that's the reason why she's so tired after a long day at work. - Rosie: She is a very friendly girl. Although she's not very

---

talkative, she is able to sympathize with other people. Although she uses her hands to express things, she has very important info in her mind, which is helpful. Your task: - Run around and interact with objects in order to make those three girls free. - In this first chapter of the game, you will only be able to select one of the girls and go to the bathroom. When all three girls are released, you will be able to choose which girl you want to take to the bathroom next. - At the time of this writing, there is no way to choose the character before a girl is released. - When you use the cop car, you are
